Championship Teams Primary School

Placement for SGA final and Dutch championship

The preliminary round of the Primary School Championship is intended to introduce children to the sport of chess. However, it is also the preliminary round for the Primary School Championship for the Region in and around Amsterdam: the Schaakbond Groot-Amsterdam (SGA).

Semi-Finals is on Sunday 26 March 2023 in the Cygnus Gymnasium in the Vrolikstraat 8, Amsterdam. The number of places for the semi-finals depends on the number of participating teams. There are probably at least two teams that qualify. If your school team qualifies for this, you will immediately receive an invitation to this tournament. We will use digital clocks in the semi-finals.

The SGA final is on Sunday 2 April 2023 in the Batjanzaal in Amsterdam. We will use digital clocks then. The 8 best teams of the SGA compete here for qualification for the Dutch Championship school chess!
